Convention Sponsorship Opportunities

This year we are combining with three other associations – the Cemetery Association of Tennessee, the Kentucky Cemetery Association and the Georgia Cemetery Association. This will greatly impact you – our supplier. It will reduce your costs in travel expenses, and it will combine your sponsorship dollars toward a single, regional convention so that we can be able to offer high-quality program content. With our suppliers and professionals generous sponsorships, we will provide a dynamic convention with great presentations, great accommodations, great receptions and outstanding networking opportunities to all our members.

Please review the different range of sponsorships available and check the level at which you can contribute. We thank you for your continued and faithful support to our associations.
